Please Note:

If you are unable to locate a Certified Driver Rehabilitation Specialist (CDRS) within Virginia that is near you, you may want to visit [www.aded.net](http://www.aded.net) to locate a CDRS that is closer to you but in another state. DMV will accept a report from an out-of-state driver rehab specialist as long as he/she is a CDRS.

On occasion, grants are made available through the Virginia Department for Aging and Rehabilitation Services to various driver rehabilitation facilities to assist clients with the cost of a driver evaluation. Please inquire about grant assistance at the facility that you choose. Thank you.

\*This list is not all-inclusive. Several of the contacts have many Driver Rehab Specialists or OTR/Ls located within their facility.
