DMV 2 Go

DMV Connect

DMV 2 Go, DMV's most visible example of customer service and convenience, may soon visit your office, college, retirement community, or local DMV Select office. The DMV offices on wheels are community connection tools, bringing services to today's busy Virginians.

More than 250,000 miles traveled since January 2011

DMV 2 Go – Bringing DMV service to you.

DMV's mobile customer service centers, called *DMV 2 Go*, are handicapped-accessible full service offices that provide all DMV transactions including applying for and renewing driver's licenses and ID cards and Virginia's new veterans ID card. Road and knowledge tests are available, and applicants may get their pictures taken. Customers can order disabled parking placards or plates, and get vehicle titles, license plates and decals. If Virginians have recently moved, they can stop in to update their address on their DMV record, and also update their voter registration address and organ donor status. Thanks to a partnership with the Department of Game and Inland Fisheries, hunting and fishing licenses are available at all DMV locations, including the mobile offices.

Want *DMV 2 Go* to come to you? To schedule a DMV 2 Go visit at your location, the following criteria must be met:

- DMV 2 Go is open to the public (certain exclusions may apply for military bases, corporate campuses, colleges and universities, etc.).
- The location must have parking to accommodate customers and a large RV/bus (see brochure for exact sizes).
- There must be a minimum of 250 potential customers at the location.

* Major events taking place on weekends will be evaluated on a case-by-case basis. Determining factors include:

- Location
- Mobile office and staff availability
- Type of event (health & safety, veteran, hunting and fishing, etc.)
- Expected/proven past attendance
