

Virginia Escort Vehicle Operator Certification

DMV 242 01/27/20

This card is your Escort Vehicle Operator Certification. Verify all of the information on your certificate. If any information is incorrect, or if any of your personal information such as name or address has changed, notify the Virginia Department of Motor Vehicles (DMV) immediately.

Virginia law requires you to carry this certificate and your valid, unexpired driver's license with you at all times while engaged in vehicle escort activities within Virginia.

The certificate is valid for five years. To renew an escort certification, you must provide proof of a valid driver's license and successfully retake the escort certification exam at a Virginia DMV customer service center. For DMV locations, visit www.dmvNOW.com.
