Technical assistance with van modifications.
Web site: www.excellenceinaging.org
Clinical and on-the-road evaluations and training; driver simulation assessments
and adaptive driver training
Assistance with obtaining 3W restrictions
Technical assistance for vehicle modifications

Please Note:

If you are unable to locate a Certified Driver Rehabilitation Specialist (CDRS) within
Virginia that is near you, you may want to visit www.aded.net to locate a CDRS that is
closer to you but in another state. DMV will accept a report from an out-of-state driver
rehab specialist as long as he/she is a CDRS.

On occasion, grants are made available through the Virginia Department for Aging and
Rehabilitation Services to various driver rehabilitation facilities to assist clients with the
cost of a driver evaluation. Please inquire about grant assistance at the facility that you
choose. Thank you.

*This list is not all-inclusive. Several of the contacts have many Driver Rehab Specialists or OTR/Ls located within
their facility.
