If you currently hold a valid Virginia driver's license or ID card, you must present it along with one of the documents listed below for proof of your name change. If you cannot present your Virginia issued credential, you must present one proof of identity from the primary document list in addition to one of the documents listed below as proof of name change.

- Marriage certificate issued by a U.S. state, jurisdiction, territory or municipality (including same-sex marriage certificates)
Note: Civil union documents are not accepted
- Divorce decree if the decree states the change from married name to maiden name
- Court order granting the name change

License Requirements and Driver's Education

Tests include a vision screening and may include a two-part knowledge exam and a road skills test. Detailed information about testing is in the Virginia Driver's Manual (DMV 39) available at www.dmvNOW.com or any DMV customer service center.

If you are under age 19, you must provide a driver education completion certificate or show proof of your successful completion of a state-approved driver education program and hold a learner's permit at least nine months before you can receive a driver's license. Anyone under age 18 must have your parent or guardian certify that you received at least 45 hours of driving practice, 15 of which must have been completed after sunset.

Validity Periods, Expiration Dates and Fees

If you are temporarily authorized to be in the U.S., your driver's license or ID card will be valid only for the period of time that you are legally present in the U.S. Individuals required to register with the Virginia State Police Sex Offender and Crimes Against Children Registry (Virginia Code Chapter 9 of Title 9.1) will be issued licenses valid for five years.

Credential	Expiration	Fee
Driver's License/Instructional Permit CDLs	Valid for 8 years (expires on your birthday)	\$32 or \$4 per year (minimum \$20)
Commercial Learner's Permit CDL endorsements*	Valid for 180 days Expire with CDL	\$64 or \$8 per year (minimum \$20) \$3

If you are age 19 or older, and you have not held a driver's license issued by Virginia, another state, or foreign country, you must provide proof of successful completion of a state-approved driver education program or you must have held a learner's permit at least 60 days before taking the road skills test.

If you hold an out-of-state driver's license or are 19 years or older and hold a license from Canada, Germany, France, or the Republic of Korea, DMV may waive the knowledge and skills road tests if you meet the proof documents requirements and Virginia's driver education requirements, if applicable.

If you hold a valid driver's license from any country other than Canada, Germany, France, or the Republic of Korea, **and are 19 years or older**, you will be required to complete the knowledge and road skills tests; however, DMV may waive the learner's permit requirements.

Signatures/Consent

If you are under age 18, your parent, custodial parent or legal guardian must provide written consent by signing your application. A court order showing that you are an emancipated minor is acceptable in lieu of written consent. If you previously have been found not innocent of any offense by a juvenile and domestic relations court in Virginia or any other state, you must obtain approval to be licensed from that court or a court in the city or county where you live.

If you are a foreign exchange student, your host parent(s) are not eligible to sign your application.

Selective Service Registration: Generally, males under age 26 must register with the Selective Service. If you are required by federal law to register with the Selective Service, you must authorize DMV to forward your personal information to the Selective Service unless you have already registered. If you are under age 18, your parent or guardian must sign your application authorizing the Selective Service to register you when you turn age 18. Law prohibits DMV from issuing any type of driver's license or ID card to an applicant who is required by federal law to register with the Selective Service but who refuses to authorize DMV to send his information to the Selective Service. If you have questions about Selective Service registration, visit the Selective Service website at www.sss.gov or call 847-688-6888 (TTY: 847-688-2567).

See back page for issuance information.

Issuance

You may hold either a driver's license or an ID card, but not both.

Applicants that have successfully completed the driver's license or ID card process will be issued either a temporary driving permit or an ID card receipt valid for 30 days. You will receive your new driver's license or ID card in the mail. Therefore, your address on file with DMV must be your current mailing address. The U. S. Postal Service will not forward your credential.

In accordance with Va. Code §46.2-328.1, the following are eligible to apply for a driver's license or ID card: a) Citizens of the United States, b) Legal Permanent Residents of the United States, c) Conditional Resident Aliens of the United States, d) Holders of a valid, unexpired nonimmigrant visa status, e) Individuals with a pending or approved application for asylum in the United States, f) Refugees, g) Individuals with a pending or approved application for temporary protected status in the United States, h) Individuals with approved deferred action status, i) Individuals with a pending application for adjustment of status to legal permanent resident status or conditional resident status.

All first time licenses issued to individuals under the age of 18 will be sent to the Juvenile and Domestic Relations Court in your locality. The court will then notify you when and where to report for your licensing ceremony. A parent or guardian must attend the ceremony with you if you are under age 18 on the date of the ceremony. After completion of the ceremony, the court will distribute the license to you.
