

# Speed Limits for Buses

**Effective July 1, 2006**

This information replaces the speed limit information for buses located on page 5-3 of the Commercial Driver's Manual (DMV 60).

## Speed Limits for Buses

- ▶ When traveling on highways where the maximum speed limit is 55 mph or less, you must not exceed 45 mph.
- ▶ When traveling on interstate highways where the maximum speed limit is more than 55 mph, you must not exceed 55 mph.
- ▶ In school, business and residential areas, drive 25 mph.
