IMPORTANT!

Deadline: 22 days before the election.

The voter registration application must be postmarked (or delivered to the county or city voter registration office or DMV) no later than 22 days before the election in which you plan to vote.

However, if you are already registered to vote at your current address, you do not need to reregister.

Photocopies of the application are accepted with an original signature.

The only time faxes are accepted is for an address change.

PRIVACY ACT NOTICE

Article II, Section 2 of the Constitution of Virginia (1971) requires that a person registering to vote provide his or her social security number, if any. Therefore, if you do not provide your social security number, your application for voter registration will be denied. Section 7 of the Federal Privacy Act (Public Law Number 93-579) allows the Commonwealth to enforce this requirement, but also requires that you be advised that state and local voting officials will use the social security number as a unique identifier to ensure that no person is registered in more than one place.

The registration card will not be open to inspection by the public. Your social security number will appear on reports produced only for official use by voter registration and election officials, and for jury selection purposes by courts.

ATTENTION

You must answer boxes 1 – 11 on the voter registration application. **If you do not complete all of the specified boxes your application will be denied by your local registrar.** Once your local registrar approves your application, you should receive a voter card.

WARNING

Intentionally making a false statement on the voter registration application constitutes the crime of election fraud, which is punishable under Virginia law as a felony. Violators may be sentenced to up to 10 years imprisonment, or up to 12 months in jail, and fined up to \$2,500.
