on your big day.*

But, first, make sure it's safe.

In Virginia, limousine companies must be properly licensed, insured and should meet certain safety criteria. A list of licensed and insured limousine companies operating in Virginia is available on the DMV website, www.dmvNOW.com/limo.

To file a complaint about a limo service, contact DMV at (804) 249-5140. To file a complaint online, visit www.dmvNOW.com/carriercomplaint.
