VIRGINIA FUELS TAX INFORMATION AND NEWS

GALLONS DELIVERED TO COMPANY OWNED RETAIL OUTLETS

December 2003

This notice was developed to provide you with clarification on how to report gallons delivered to your company owned retail outlets.

Some suppliers are mistakenly reporting gallons delivered to company owned retail outlets on Line B in Part A of the supplier's report. Gallons reported on Line B are subject to the .005 discount. Gallons delivered to company owned retail outlets are not eligible for the .005 discount. Therefore, these gallons must be reported on Line A in Part A of the supplier's report.

Beginning with reports filed for your October 2003 activity, you will be billed for any discount you take on gallons delivered to company owned retail outlets.
